BUSINESS ARISING OUT OF PREVIOUS MEETING

Vinyl Stickers

Following the last meeting, the proofs supplied by Ian were sent out for people to choose which option they preferred – option C for both stickers were chosen by the majority. It has been modified slightly to include TOMCC instead of ‘Owners MCC’ and the size of long sticker has been reduced slightly to get 40 on a sheet.

Tony informed us that there have been a few suggestions of what to charge for the stickers, either a fixed price with the profit to charity, sell them at cost or give them away free. It was generally agreed that one sticker would be given away free to active members that attend a meeting, run, event, etc and further stickers can be purchased at a price to be discussed (upon final costing from Ian Myall).

Task: Heidi to order 2 x sheets of large stickers and 1 x sheet of smaller stickers

National AGM

Tony reminded the Committee that the National AGM is on Sunday 2nd April in Northampton and asked if anyone was going to attend – he would not be.

An email was sent from the main TOMCC regarding to all members, regarding the Golden Jubilee anniversary of the Daytona and they are doing a limited edition badge (500 being made) – the cost of which is £4.00 plus £1.00 p&p

Charity Run

Following our last meeting, a couple of members had an objection to a charity run to Little Havens as they wasted a lot of charity money on a planning application that was withdrawn; Over £250,000.

Air Ambulance was suggested – their Hertfordshire run is on May 1st and there is another one later in May.

Tony suggested that rather than doing our own charity run with only a few members turning up we could participate in a run organised by someone else.

Task: Discuss further

Malcolm to email Tony with details of Air Ambulance runs

DISCUSSION

Guest House/Tea Room, Somme, France

Peter Breading suggested maybe going for a weekend in July - It is about 90 miles from tunnel. Information about the venue was circulated for everyone to look at.

Task: Discuss again at next meeting

Coalhouse Fort

This event is on this Sunday 26th – it is on Mother's day and the clocks go forward! Tony said that he would not be going this year but has put on the website if anyone wants to go as a group to meet at the Fairway Diner at 9.30 for a 10.00 depart.

Mid-Week Run

This was discussed again and thought a good idea. It was agreed to email and text members to see who is interested and on which day. Once the interested parties are known, if they agree, then contact details will be given to the others in the group.

Task: Tony to text and Peter to email members to see who is interested.

Pumping Station

Phil Burnham mentioned an open day on Sunday 2nd April – at Crossness Pumping Station in Erith. He and Sue will be attending with the Enfield club.

Task: Phil to email either Tony, Heidi or Malcolm with details

Tony closed the meeting at 8.40 pm
