

## **December's Delivery**

(Included in January edition of Nacelle)

November is here and it is as I write very wet and has been for a large proportion of the month. So no ride outs to report on, also I have been unable to attend either of the branch meetings. I expect they went well were well attended and a good time was had by all.

My own personal efforts around club activities has been in getting things moving on next summers Treffen front. We have committee that consists of Martin K, Peter D, Peter H, John, Jim and Keith basically the RoFs (Retired old Farts). So far we have designed a flyer and been to see a couple of bands for consideration. I have tried to get the Stones or The Foo Fighters and I await hearing back from Mick, Keith and Dave Grohl and if they aren't quick the could miss the chance of picking up a sum possibly in excess of £400 for the gig. Anyway we have had lots of ideas that will make it a fun weekend or just a fab day out. So all you good people come along and experience some of the best fun Essex has to offer on the weekend of 21/6 – 23/6 details will soon appear in forthcoming Nacelle's.

Our main event this month will be the Christmas meal at the Royal Oak Stambridge on 15/12.

After that the next event on our calendar will be the AGM. As yet no date or place has been confirmed.
